

Chariot of Knowledge

Good Education is a journey, not a destination. We at 'THE AARYANS' rededicate ourselves to keep on 'Chariot of Knowledge' running, inspired by our missionary zeal and untiring efforts to apply the latest educational techniques while maintaining the ethos of traditional Indian system of learning.

Our Mission

We care our values and belief and aim for a perfect balance of complementary factors : ancient and modern, traditional and innovative. Our students will be knowledgeable, confident, meticulous and self reliant and above all a great citizen.

Our aim to

- To inculcate in our children a love for learning.
- To nurture well rounded personalities who would be confident, creative and be able to adjust and adopt to any circumstances of environment.
- To lead by example and be good role models so that our children imbibe our qualities.

Our vision

We believe in care, honesty, responsibility, excellence, knowledge, integrity & team work. For us knowledge is functional expertise application of know- how, clarity & conceptual depth & for that we have a team who are working together with mutual trust & support.

K.G. Section

We provide a vibrant atmosphere, a home away from home, where emphasis is on conceptual learning and creative inputs for building a strong foundation.

- The teaching is child centered and is tailored to the individual needs of students by involving skills and motor development.
- The curriculum stresses on socio-emotional aspect, creative expressions, aesthetic and cognitive skills and motor development.
- The teacher-student ratio is kept as low as 1:20 to give personalized attention
- The brightly lit and well decorated classroom, a riot of colors are a joy for little ones.
- The activity rooms are a child's Paradise with toys, games, puzzles, doll house, story telling room, an Audio-Visual hall and puppet theater. It transports the children to a Fairy Tale World where they get to meet their Mowglis, Cindrella and Tom & Jerries.
- The Splash Pool is the favorite haunt of our toddlers. The joy and excitement of the children at the water play has to be seen to be believed.
- The swings, slides and the play station are the areas where they have fun unlimited.

Sr. School

Our young minds are provided with a comprehensive academic curriculum supported by a system of instructions that encourages the thought process and reasoning, which would gear the children to be logical, analytical, critical, creative, innovative and communicative.

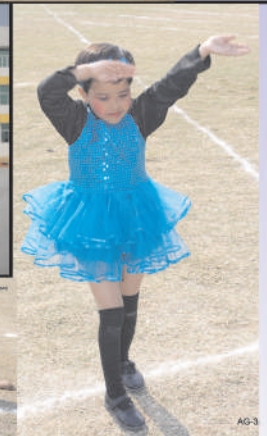

- The school is affiliated to C.B.S.E.
- The curriculum is well planned, graded and innovative is based on the C.B.S.E. Board guidelines.
- The class-rooms are esthetically planned, well ventilated, providing an environment which is conducive to learning.
- The Music room with a variety of instruments train the students in vocal and instrumental music.
- The dance room is the place where students learn classical as well as contemporary dance.
- The Art room, The Social Science Labs, Computer Labs, Science Labs and Maths Labs are well-equipped with requisite, essential and desirable equipments have been set up with the latest software and technology to ensure the activity based learning leading to development of scientific temperament in our students.

Facility & Infrastructure

- Our students are exposed to a variety of games like Cricket, football, table tennis, badminton, basketball, skating taekwondo, yoga, meditation, athletics and several indoor games.
- Facilities Green Ground etc.
- R.O. plant-our Reverse osmosis water treatment plant ensures that our children get pure drinking water and do not fall prey to water borne diseases.
- Our teachers are the driving force behind all our endeavors. Our teachers radiate multi dimensional persona, with positivity, encouragement, sensitivity and cheer. Responsibility, dedication, love, care and efficiency are the hallmarks of our teachers.
- Parents and teachers are like fresh air and water-both vital for a growing child. Hence, interaction and constant association of both is crucial. To achieve this we have regular Parent Teacher Meeting (PTM's) and open houses which foster the exchange of ideas regarding the child.

Mankind owes to the child the best it has to give.

- U.N. Declaration

Technology Assisted learning

Technology Assisted Learning

The Aaryans offers an environment that is favourable to academic excellence. Instead of learning by rote, pupils are encouraged to leave a deeper understanding of the subject they learn. This is assisted by video and audio of the subject matter.

Transport Facility

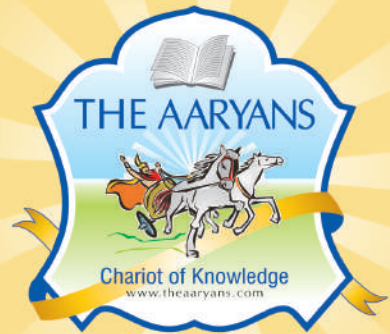

School Transport

The School has a fleet of new buses to pick and drop the students at their place of residence. There is an experienced panel of drivers and helpers.

The helper is provided with a mobile phone.

- New Low height buses
- Space for keeping bags
- Safety measures like First Aid Box & Fire Extinguishers
- Expert Drivers
- Trained Helpers with Mobile Phones
